**Giving  
Season**

'tis the season for  
a mini charm pack  
pillow project

## BEFORE YOU BEGIN

Read all instructions. While all patterns undergo testing, there are occasional corrections/clarifications needed. Please check the “Pattern Corrections” section on my website for updates: <https://blog.llellaboutique.com/pattern-corrections/>

## CUTTING DIRECTIONS

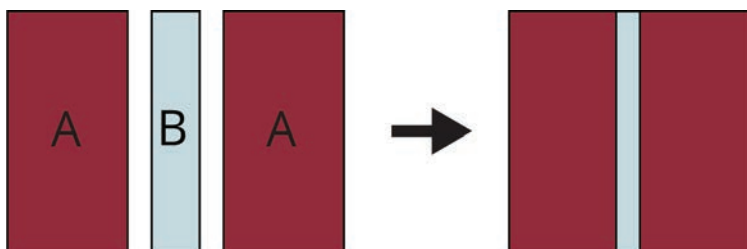

1. Designate (25) mini charm squares 2½" x 2½" for gift boxes.  
To each square: Cut in half to yield (2) A rectangles 1¼" x 2½" per print. Keep organized in matching pairs - (25) pairs total.
2. Designate (13) mini charm squares 2½" x 2½" for ribbons/bows.  
To each square, subcut the following:
  - (1) B rectangle 1" x 2½"
  - (2) C squares 1" x 1"
3. To the white fabric (more ribbons/bows), cut the following:
  - (12) B rectangle 1" x 2½"
  - (24) C squares 1" x 1"
4. To the charcoal background fabric, cut the following:
  - (1) strip 2½" x WOF". Subcut (6) D squares 2½" x 2½". From the remnant, cut (2) E rectangles 2" x 2½" and (3) F rectangles 1" x 2½".
  - (1) strip 2½" x WOF". Subcut (16) E rectangles 2" x 2½". Add to the others to get (18) E total.
  - (1) strip 2" x WOF". Subcut (2) G rectangles 2" x 15".
  - (1) strip 1¾" x WOF". Subcut (2) H rectangles 1¾" x 17½".
  - From the remnants, cut (10) J squares 1" x 1".
  - (1) strip 1" x WOF". Subcut (25) I rectangles 1" x 1½".
  - (1) strips 1" x WOF". Subcut (40) J squares 1" x 1". Add to the others to get (50) J squares total.
5. To the pillow backing fabric, cut (2) K rectangles 11" x 17½".

## BLOCK ASSEMBLY

- \*Assume  $\frac{1}{4}$ " seam allowance for block piecing
- \*RST means right sides together
- \*Press the seam toward the darker print

5. To make 1 gift block, gather the following:  
 (2) matching A rectangles  $1\frac{1}{4}$ " x  $2\frac{1}{2}$ " print #1  
 (1) B rectangle  $1$ " x  $2\frac{1}{2}$ " print #2  
 (2) C squares  $1$ " x  $1$ " print #2  
 (1) I rectangle  $1$ " x  $1\frac{1}{2}$ " background print  
 (1) J squares  $1$ " x  $1$ " background print
6. Sew into a row: (2) matching A rectangles  $1\frac{1}{4}$ " x  $2\frac{1}{2}$ " of print #1 with (1) B rectangle  $1$ " x  $2\frac{1}{2}$ " of print #2 in between. Press. Unfinished unit should measure  $2\frac{1}{2}$ " x  $2\frac{1}{2}$ ".

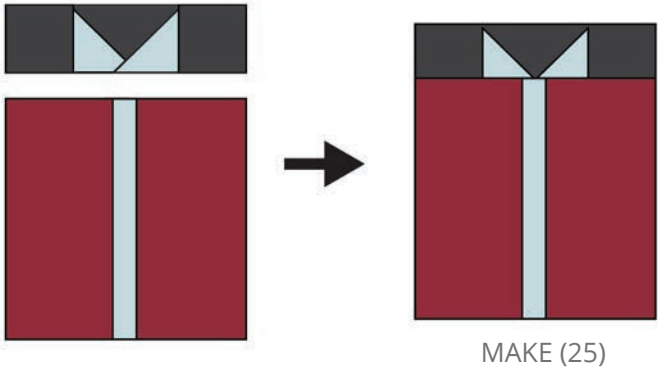

7. Mark a diagonal line on the back of (2) C squares  $1$ " x  $1$ " of print #2. Bring (1) marked C square RST with (1) I background rectangle  $1$ " x  $1\frac{1}{2}$ ". Sew along the marked line, trim  $\frac{1}{4}$ " seam allowance, and press. Repeat to add (1) marked C square RST to the opposite side, orienting the marked line to mirror the other. Sew along the marked line, trim  $\frac{1}{4}$ " seam allowance, and press. Unfinished unit should measure  $1$ " x  $1\frac{1}{2}$ ".

8. Sew (2) J background squares 1" x 1" to the sides of the unit from Step #7. Press. Unfinished unit should measure 1" x 2½".

9. Sew (1) bow unit from Step #8 to the top of (1) gift box unit from Step #6. Press away from the bow unit. Unfinished unit should measure 2½" x 3". Make (25).

## QUILT-TOP ASSEMBLY

10. Arrange (25) units from Step #9, (6) D background squares  $2\frac{1}{2}'' \times 2\frac{1}{2}''$ , and (18) E background rectangles as shown. Sew the units into columns and press. Sew the columns together; press. Should measure  $14\frac{1}{2}'' \times 15''$ .

11. Sew (2) G background rectangles 2" x 15" to the sides of the unit from Step #20. Press. Pillow-top should measure 15" x 17½".

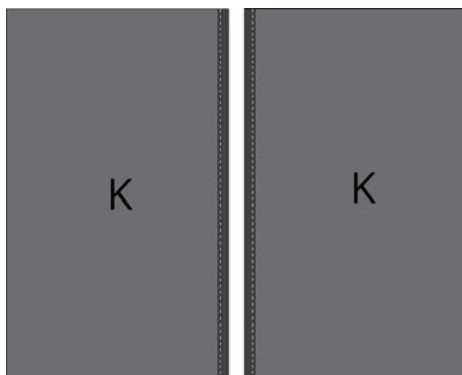

Sew (2) H background rectangles 1¾" x 17½" to the top and bottom of the unit from Step #11. Press. Pillow-top should measure 17½" x 17½".

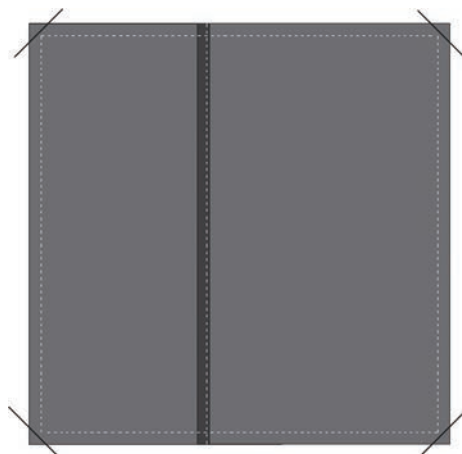

## FINISHING THE PILLOW

12. Baste the unit from Step #11 to the batting and quilt as desired. (For a project this small, I typically insert safety pins throughout. I quilted straight lines  $\frac{1}{4}$ " apart.)

13. To create an envelope opening for the pillow back, gather the (2) K rectangles  $11" \times 17\frac{1}{2}"$  of pillow backing fabric. To each rectangle: fold one  $17\frac{1}{2}"$  side under  $\frac{1}{4}"$  (wrong sides together) and press in place. Fold it under again to hide the raw edge and press in place again. Topstitch along the folded edges to give it a nice, finished look.

14. Arrange (2) K rectangles from Step #13 RST with the pillow-top from Step #11, aligning raw edges so the "finished" sides of each K rectangle overlaps the center. Pin in place and sew  $\frac{1}{2}"$  around the perimeter. (This is the only time to use  $\frac{1}{2}"$  seam allowance.) Clip the corners taking care to not cut into the actual seam.

15. Turn the pillow right-side out through the envelope opening and insert the  $18" \times 18"$  pillow form. (It's intentionally a little bigger for a nice and full pillow.)
