

Strawberry Jam BY COREY YODER

When I was a child, June was a special month. My mom would wake my sisters and I up at the crack of dawn to head to the strawberry patch so we could pick quarts and quarts of berries that we'd bring home and turn into various strawberry delights. Of course, one of those delights was strawberry jam!

Bursting with beautiful florals, summery gingham, polka dots, and stripes, nothing could be sweeter than some of my *Strawberry Jam* collection!
