

# Blueberry Delight

by Bunny Hill Designs

I love blue and white quilts, and I love blueberries, so the combination was a fun one for a fabric line! I've combined florals, checks, stripes, and tiny prints to bring you a fabric line I'm calling Blueberry Delight. The colors are fresh, and I've added a touch of cream to the whites for a soothing look. They remind me of a bowl of blueberries and cream. I've designed four new patterns for this fabric line that I hope your customers will love. From blue lambs, birds, and baskets to a pieced quilt inspired by a vintage block, there's something for everyone.
