

Kitty Corn

URBANCHIKS

Black cats and spiders, a full moon and a pumpkin. Add a retro-inspired color palette with funky florals, candy corn, cool polka dots and plaids, and it's Halloween with the UrbanChiks.

The nine-patch quilt is pieced, and the Kitty Corn panel is cut and applied to the quilt by machine, or by hand. Quilts, home décor and accessories haven't been this much fun in years.
